## A MESSAGE FROM THE DIRECTORS

The past six years have been an exciting time in the Tuscarora HS community as the school has integrated itself into the local culture. Included in this has been a very exciting first five years for the boys and girls soccer programs, which have become the most successful programs in the area with **State Championships** in 2009 (Boys) and 2004 & 2005 (Girls). Plain and simple, **THS is where players become champions.**

From the success of the first six Titan Soccer Camps, to the on-field success of the boys and girls high school teams, to the popular youth programs in the area, it is obvious that the game is thriving at all levels in the community.

The annual Titan Soccer Camp provides a wonderful opportunity to bring together the entire soccer community for a week of soccer and fun. The campers will learn from some of the top coaches in the state, work alongside current THS boys and girls players, and play with their friends from throughout the area neighborhoods. The camp is a celebration of soccer and our community.

We hope you decide to join us this year at the 2009 Titan Soccer Camp for a special week. We are truly honored and privileged for the opportunity to work with the wonderful young people of our community.
